

PACKAGE CONTENTS

- 2 amplified stereo speakers
- 1 wired remote control
- User Manual

CONNECTING THE SPEAKER SYSTEM TO THE AUDIO SOURCE

1. Switch off your computer or audio source.
2. Connect the green male minijack connector on the audio connection cable to the **Audio out** plug on your audio source.
3. Plug the power supply adapter into an AC outlet.

USING THE SPEAKER SYSTEM

1. Verify that:
 - the speaker system is switched off (the LED is off),
 - the **Volume** knob is at its minimum setting (off).
2. Switch on the audio source you wish to use (PC, television set, DVD player or game console).
3. Switch on your speaker system by rotating the **Volume** button. The LED lights up.
4. Adjust the volume using the **Volume** knob.

TECHNICAL SPECIFICATIONS

Total output	5 watts RMS
Frequency response	100Hz-20000Hz
Wired remote control:	<ul style="list-style-type: none"> - 1 volume control knob - 1 stereo headphone connector - 1 auxiliary input for CD/MP3 player... - 1 power LED

PRECAUTIONS FOR USE:

- Place your speakers on a flat surface to avoid the risk of the speakers falling.
- Never open up your speaker kit, as you risk damaging its internal components.
- This speaker kit is intended for use in a temperate environment.
- To prevent the risk of fire or electrical discharge, keep your speaker kit away from:
 - o rain or humidity, as well as all fluids (water, chemical products or any other liquids),
 - o sources of heat such as heaters, stoves or any other heat-producing devices (including amplifiers),
 - o direct sunlight.
- Do not expose your speaker kit to drips or splashes of water.
- Never place any object filled with liquid (a glass, vase...) on your speaker kit.
- Unplug the subwoofer's power cord if you do not plan on using your speaker kit for an extended period of time. To disconnect the power cord, take hold of and pull on the plug; never pull on the cord itself.
- Make sure that the speaker kit's power plug connected to an electrical outlet remains easily accessible.
- Disconnect the speaker kit before cleaning. Use a damp cloth and avoid using aerosol cleaners.
- The speaker kit's power plug serves to power off the device and must therefore be easily accessible at all times.
- Markings are located on the back of the speakers.

Attention:

At full power, prolonged listening with headphones can result in damage to the user's hearing.

XPS 2.040 Slim

TECHNICAL SUPPORT

If you encounter a problem with your product, please go to <http://ts.hercules.com> and select your language. From there you will be able to access various utilities (Frequently Asked Questions (FAQ)), the latest versions of drivers and software) that may help to resolve your problem. If the problem persists, you can contact the Hercules products technical support service ("Technical Support"):

By email:

In order to take advantage of technical support by email, you must first register online. The information you provide will help the agents to resolve your problem more quickly.

Click **Registration** on the left-hand side of the Technical Support page and follow the on-screen instructions.

If you have already registered, fill in the **Username** and **Password** fields and then click **Login**.

WARRANTY

Worldwide, Guillemot Corporation S.A. ("Guillemot") warrants to the consumer that this Hercules product will be free from material defects and manufacturing flaws for a period of two (2) years from the original date of purchase. Should the product appear to be defective during the warranty period, immediately contact Technical Support, who will indicate the procedure to follow. If the defect is confirmed, the product must be returned to its place of purchase (or any other location indicated by Technical Support).

Within the context of this warranty, the consumer's defective product will, at Technical Support's option, be either repaired or replaced. Where authorized by applicable law, the full liability of Guillemot and its subsidiaries (including for indirect damages) is limited to the repair or replacement of the Hercules product. The consumer's legal rights with respect to legislation applicable to the sale of consumer goods are not affected by this warranty.

This warranty shall not apply: (1) if the product has been modified, opened, altered, or has suffered damage as a result of inappropriate or abusive use, negligence, an accident, normal wear, or any other cause not related to a material defect or manufacturing flaw; (2) in the event of failure to comply with the instructions provided by Technical Support; (3) to software not published by Guillemot, said software being subject to a specific warranty provided by its publisher.

Additional warranty provisions

In the United States of America and in Canada, this warranty is limited to the product's internal mechanism and external housing. Any applicable implied warranties, including warranties of merchantability and fitness for a particular purpose, are hereby limited to two (2) years from the date of purchase and are subject to the conditions set forth in this limited warranty. In no event shall Guillemot Corporation S.A. or its affiliates be liable for consequential or incidental damage resulting from the breach of any express or implied warranties. Some States/Provinces do not allow limitation on how long an implied warranty lasts or exclusion or limitation of incidental/consequential damages, so the above limitation may not apply to you. This warranty gives you specific legal rights, and you may also have other legal rights which vary from State to State or Province to Province.

ENVIRONMENTAL PROTECTION RECOMMENDATION

At the end of its working life, this product should not be disposed of with standard household waste, but rather dropped off at a collection point for the disposal of Waste Electrical and Electronic Equipment (WEEE) for recycling.

This is confirmed by the symbol found on the product, user manual or packaging.

Depending on their characteristics, the materials may be recycled. Through recycling and other forms of processing Waste Electrical and Electronic Equipment, you can make a significant contribution towards helping to protect the environment. Please contact your local authorities for information on the collection point nearest you.
