

VirtualDJ DJC Edition - Serial number

During installation of the DJ Console Mk2, VirtualDJ DJC Edition prompts you to enter a serial number.

This number is indicated on the envelope of the installation CD-ROM. One DJ Console Mk2 batch was shipped without this number: if your DJ Console Mk2 was among this batch, please contact our Technical Support service (contact details can be found in the User Manual) to obtain a serial number:

- Either via the Internet, by registering at <http://ts.hercules.com/eng/index.php>, and then providing details of your situation using the online email function,
- Or by telephone, by contacting Technical Support at the number listed in your User Manual (phone numbers can also be found at http://ts.hercules.com/eng/index.php?pg=contact_others).

Please accept our sincere apologies for any inconvenience caused. We thank you for choosing a Hercules product.
